

CHILDPROOF

Thanks to the patented MHZ operating chain with break connector, you no longer need to worry about the issue of child safety. The operating chain can now be used hanging freely at the desired length.

R03

EXPERIENCE A NEW KIND OF ROLLER BLIND

*The We  
behind R\_03*

Working closely together as a team, we have once again given of our best for the R\_03. Practically all the parts and tools needed for them were developed in our in-house technology centre. The R\_03 roller blind that you get is thus 100% made-to-measure by MHZ.

DESIGN &  
VARIETY OF COLOUR

With its six hardware colours of white, silver, grey aluminium, anthracite, anthracite grey and black, the R\_03 fits in perfectly with your personal interior design style. The roller blind can additionally be personalised using interchangeable matt or gloss side caps.
