# FIGHT RACISM!

In the DUETTE® Heroes collection by SIEGER, four one-of-a-kind superheroes are ready for action!

CHRISTIAN & MICHAEL SIEGER

From their offices in Harkotten Castle, SIEGER's creative team are helping to promote a more democratic and pluralistic society. Our colourful heroes Marvellous Monkey, Rumble Rex, Glamour Girl and Star Man are taking a superpowered stand against discrimination and everyday racism. They're now also available as funtastic decors in the Heroes collection, which our design team developed for DUETTE® honeycomb blinds.

HARKOTTEN CASTLE

THE sieger design TEAM

Do something heroic: each purchase of a DUETTE® blind from the Heroes collection helps support the Network for Democracy and Courage (NDC), which SIEGER has been working with since 2018. The NDC is a Germany-wide network of young people who take action to promote democracy and tolerance.
