

THE MHZ AWNING COLLECTION

Find the perfect awning fabric quickly & digitally

From classic to contemporary, the MHZ awning collection is inspiring with its diverse range of colours and will satisfy even the most exacting design standards. Meticulously crafted, high-quality fabrics with dirt- and water-repellent finish, light-fastness and colour stability are combined with cutting-edge technology to produce an unparalleled brand product for your outdoor space. With the Design Selector, you can now simulate your chosen fabric and customise the colours, designs and qualities to create your dream awning. Visit our website now to try it out!

Design Selector: Your benefits at a glance

- Easy to use
- An overview of the collection
- Filter by colour and pattern
- Compare fabrics
- Create wish lists
- A realistic representation on an awning

We are happy to advise if you need help choosing the right awning with a fabric to suit your style.
